

Shane Guymon

2101 S. Lakeline Blvd #917
Austin, Tx 78613

QUALIFICATIONS:

Adobe Photoshop, Illustrator, Indesign, Quark Xpress, Dream weaver, & HTML. Familiar with both PC and Mac operating systems. I'm motivated to succeed and detail oriented for excellence.

EDUCATION:

San Antonio Community College, San Antonio TX
AAS in Graphic Design-Print Graphics Opt, GPA: 3.3

COMMUNITY INVOLVEMENT:

Active with my church as a leader in the development of youth instilling morals and values for life development. Served a 2-year church sponsored mission to Brazil (01/00-12/01)

PERSONAL SUMMARY:

I am a people person able to relate and thrive in varied situations and with a diverse group of people. I am motivated, knowledgeable, teachable and a very quick learner with a strong desire to succeed.

PROFESSIONAL EXPERIENCE:

Practice Cafe. Austin, TX

Designer. (11/06 – Present)

Responsible for the comprehensive design and production of marketing and advertising projects handled by Practice Cafe. Primary responsibility is to translate ideas and themes into a tangible working product for the clients. Projects include but not limited to Logos Systems, Direct Mailer Campaigns, Websites, & Advertisements.

CJ&Friends LLC. San Antonio, TX

Graphic Artist. (05/05 – 10/06)

Responsible for creating educational art, and following the specific guidelines given by various state criteria. All art was created using Adobe Illustrator. I was also responsible for cleaning up and manipulating different photographs and pieces of art in Adobe Photoshop, as well as producing several different types of marketing and branding material. I was responsible in keeping tight deadlines while still maintaining a high degree of quality in my work. I have also been able to work as a group to be able to accomplish specific goals as a team.

The Identity Group LLC. St. George, UT

Creative Director/Partial Owner. (08/04 – present)

Responsible for creating and producing branding and identity oriented material for small businesses. I have art directed and designed user friendly CSS oriented and flash web sites, as well as logos, business cards, letterhead, and other marketing materials. Contact me for links to sites I have helped design and create.

AWARDS:
